Hi Danielle,

Here is the revised SAP. We used an updated, edited version to revise the text in tracked changes based on your comments. We inserted your comments and responses where applicable (only those where we responded to a question or need additional info).

Let us know if you have any additional comments or if you'd like to discuss.

Thanks!

Kim

Hi Matt,

Did you also review the red-line SAP? I may have missed it from you.

FYI, we're asking for a week extension on the Work Plan. I'm trying to gather all our internal comments today.

I only have one comment on the SAP RTCs.

DTSC Comment 8 is about a mention of UC-2 on Worksheet #10. I didn't look back at the SAP to determine the context but should UC-2 be referenced in the Parcel G SAP?

Best regards,
